

Welcome to Back-to-School-Night!

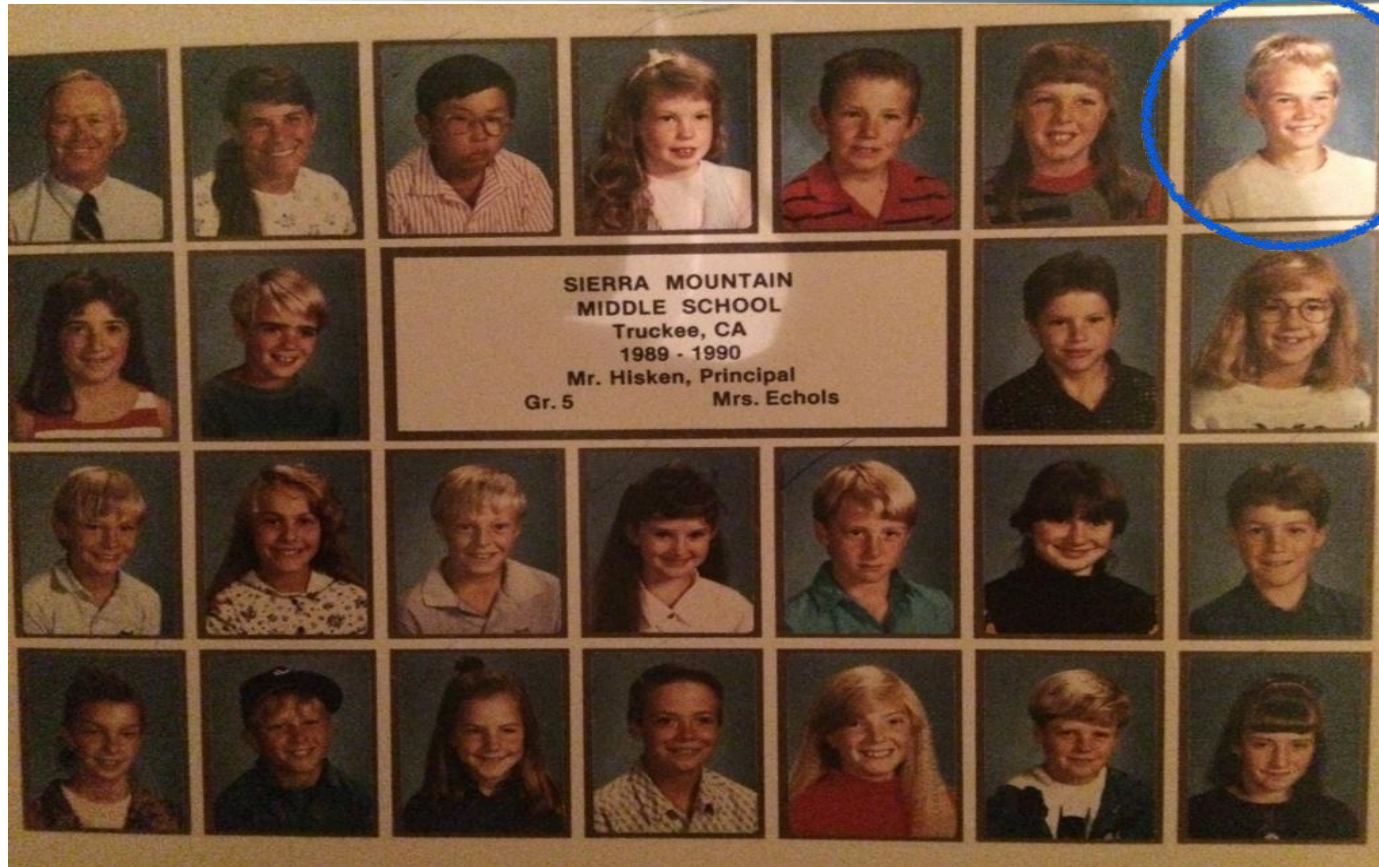

*Welcome to
Mr. Ryan's
5th Grade
Classroom!*

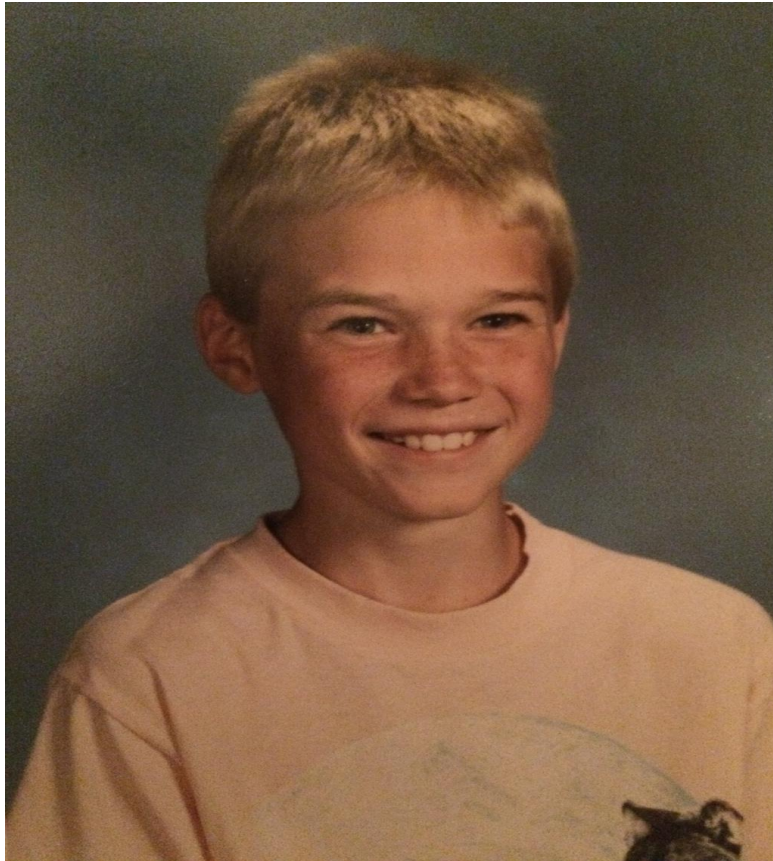

Welcome to 5th Grade!

Welcome to 5th Grade!

I was a 5th Grader once!

About Myself

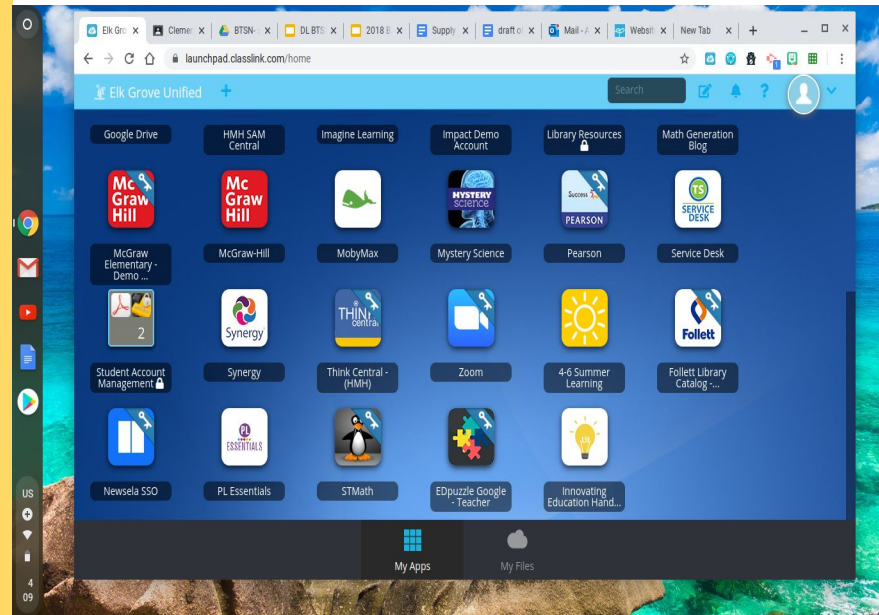

- I grew up in Truckee, Ca.
- I moved to Elk Grove during 8th grade.
- I graduated from California State University at Sacramento.
- My wife, Tiffany, and I have a daughter, Peyton, who is 12, and our son, Oliver, is 9.
- My interests other than teaching are family, traveling, technology, cycling, and cars.
- I have family in or around Elk Grove.

EGUSD Portal

Students will need to log into the EGUSD Portal to access all online curriculum and assignments.

Students must be logged into the chromebook/computer using their student ID and password.

Google Classroom

Ryan 22-23

We will have some assignments in Google Classroom.

Daily Schedule Highlights

Mon., Tues., Thurs., Fri.

8:05-8:20 Student arrival, line up outside D11 (Students enter school at blacktop or another entrance with younger sibling)

8:20-2:45 Regular school day

Wednesday

Early dismissal at 1:55

*Morning recess: 10:25 - 10:40

* Lunch: 12:20 - 1:05

Recess/snack & Lunch

***Recess/Snack:** Students will have a 15 minute time to play outside and eat snack if they wish. They can also eat inside after recess if desired. Please send a healthy snack.

***Lunch/Recess:** Students will be in the MP to eat lunch

- School lunch
- A lunch may be brought from home

Units of Measurement: Geometry and Volume

Math fact fluency

There will be an emphasis on multiple ways to solve a problem, persevering, precision, modeling, and more!

Students will use textbooks as well as the Think Central app on the EGUSD Portal to complete assignments.

Think Central -
(HMH)

Science

Physical Science

- *Matter & Its Interactions*
- *Motion & Stability: Forces and Interactions*
- *Energy*

Life Science

- *From Molecules to Organisms: Structure and Process*
- *Ecosystems : Interactions, Energy, and Dynamics*

Earth Science

- *Earth's Place in the Universe*
- *Earth's Systems*
- *Earth and Human Activity*

Engineering

- *Design, test, problem solving*

Amplify Science

Each unit of Amplify Science engages students in a relevant, real-world problem where they investigate scientific phenomena, engage in collaboration and discussion, and develop models or explanations in order to arrive at a solution.

Mystery Science can be accessed through the EGUSD Portal.

NGSS

(Next Generation Science Standards)

Social Studies

**States and Capitals*

**Native Americans*

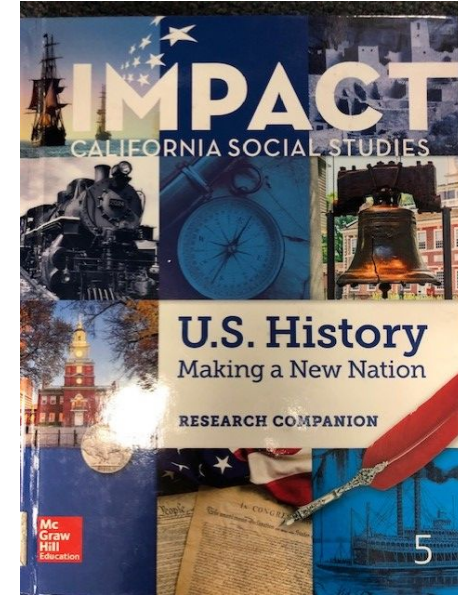

**Early Explorers*

**Settling the Colonies*

**The American
Revolution*

**The Constitution*

**Branches of the
Government*

Students will have access to textbooks and workbooks both hardcopy and online on the EGUSD Portal app McGraw Hill. We will also be using some additional activities to enhance Social Studies.

Mrs. Breton's PE Class

We will have P.E. on:

Tuesdays: 1:15 - 1:55

Wednesdays: (most likely in the morning)

Thursdays: 10:55 - 11:35

rbreton@egusd.net

Grading:

- Grades are based on the accumulation of points, improvement, and observation.
- Points are based on:
 - Quizzes and tests
 - Completion of assignments (in class and homework)
 - Classroom participation (effort)
- Conferences are on an as-needed basis or during conference week
- ParentVue on Synergy

Homework

- **Sometimes... :)**

- Monday–Thursday

- Reading (20 mins. Daily)

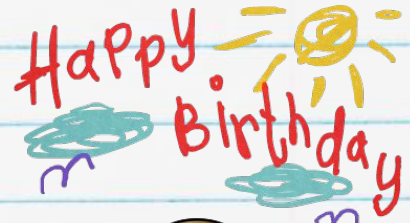

- Math

- Writing, Science, or Social Studies (occasionally)

Birthdays

- Student birthdays will be celebrated and recognized in the classroom by Mr. Ryan and Ms. Van Housen on the Rocket News

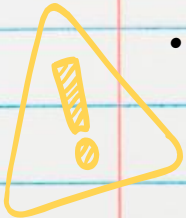

- Birthday treats allowed...
 - individually wrapped
 - store bought
 - enough for all
 - given out end of day

Parent Tips: How to Support

- **STAY POSITIVE!** Together, we can do this!
- Talk to your kids about school
- Establish regular homework time
- Check your child's agenda nightly or as needed
- **Read** and discuss the weekly reading selection.
- Practice problems in math textbook or workbook.
- Quiz each other on Science and Social Studies concepts.
- Have backpack packed and any other supplies by the door before going to bed
- Ask your child about his or her day - "Tell me about something you're learning."
- Encourage your child to do his or her best, ask questions, and contribute in class

My Hopes for your Children

- That they love coming to school
- That they “get lost” when reading books
- That they view themselves as writers
- That they see themselves as artists
- That they realize some problems take time to solve, and are worth pursuing
- That they develop collaboration skills
- That they see each other as unique individuals who bring different perspectives
- That they can work with just about anybody in a positive and productive manner
- That they feel challenged but not stressed out
- That they realize if they don’t know or understand something, they just don’t know or understand it YET
- It’s okay to go out on a limb— that’s where the fruit is
- They continue to grow into who they are meant to be

ELLIOTT RANCH PTO

Why join the PTO?

The school benefits

Pto supports school teachers and administration

Build new student programs

Make our school better
